

Homework 6

Provide the Public Tableau link for the following questions in word file and upload it to blackboard.

Q1. Using Tableau Software prepare and Super Store dataset, prepare tableau visualization similar to link given below.

<https://public.tableau.com/app/profile/hulisi.ogut/viz/Profit2000106/Dashboard2>

Link for Superstore Dataset

<https://github.com/ogut77/University/blob/main/Superstore.xls>

Q2. Using Tableau Software and Global Super Store dataset, prepare tableau visualization similar to link given below.

<https://public.tableau.com/app/profile/hulisi.ogut/viz/GSPD-HulisiOgut/Dashboard1>

Link for Global Superstore Dataset

<https://github.com/ogut77/University/blob/main/GlobalSuperstore.xls>

Q3. Using Tableau Software and Grade Report dataset, prepare tableau report similar to link given below.

<https://public.tableau.com/app/profile/hulisi.ogut/viz/GR-HulisiOgut/Dashboard2>

Link for Grade Report

<https://github.com/ogut77/University/blob/main/GradeReport.xlsx>

You will submit only links of dashboard for each question at your public tableau profile in a word file.
